

# Datasheet for: 3PHD10710

## Product Type: 3P Isolating Delta Delta

10kva 3P Delta Delta 400v to 208v Hardwired

|                    |                                                         |
|--------------------|---------------------------------------------------------|
| VA                 | 10000                                                   |
| Input Voltage      | 400                                                     |
| Input Termination  | M5 Brass studs                                          |
| Input Current      | 14.5                                                    |
| amps               | 28                                                      |
| Output Voltage     | 208                                                     |
| Output Termination | M5 Brass studs                                          |
| Product Case       | P6 Industrial floor/wall mounting case IP23             |
| Dimension          | Ht:454 L: 384 W:305 (mm)                                |
| Weight             | 65kg                                                    |
| Surge Protection   | MS35 Surge Limiters                                     |
| Product Type       | Isolating transformer Conforms to EN61558-2-6 CE & RoHS |
| Regulation         | 4%                                                      |

Commodity code: 851539130

**RoHS Certificate:** Airlink Transformers certifies and testifies that all the products and goods delivered and invoiced, do not contain any of the hazardous substances as mentioned in the 2011/65/EU European directives (RoHS). Particularly these products do not contain: Heavy metals such as Pb, Cd, Cr6+ Bifenil Polybromurate (PBB) Ether Difenil Polybromurate (PEDE)

**Declaration of Conformity:** Airlink Transformers declare that the product 3PHD10710 conforms to current European safety and EMC regulation EN61558-2-6 (Safety Isolating transformer) CE & RoHS compliant. Manufactured to Class A 105degC.

**Declaration by the Exporter:** The exporter of the product covered by this document declares that these products are of EU preferential origin. 04/07/2026
