

## Datasheet for: UK-US0250-Iso

### Product Type: Use American Appliances in The UK

250VA 230V to 120V Isolating Voltage Converter with one US Socket

|                    |                                   |
|--------------------|-----------------------------------|
| VA                 | 250                               |
| Input Voltage      | 230                               |
| Input Termination  | 3 pin UK 13amp plug               |
| Input Current      | 1.1                               |
| amps               | 2.1                               |
| Output Voltage     | 120                               |
| Output Termination | One 120v American 3pin socket     |
| Product Case       | UKS1 Small Grey steel case        |
| Dimension          | Ht:75 L:190 W:116 (mm)            |
| Weight             | 3kg                               |
| Primary Protection | Self resetting thermal fuse       |
| Product Type       | Isolating transformer             |
| Standard           | Conforms to EN61558-2-6 CE & RoHS |

**Commodity code:** 851539130

**RoHS Certificate:** Airlink Transformers certifies and testifies that all the products and goods delivered and invoiced, do not contain any of the hazardous substances as mentioned in the 2011/65/EU European directives (RoHS). Particularly these products do not contain: Heavy metals such as Pb, Cd, Cr6+ Bifenil Polybromurate (PBB) Ethere Difenil Polybromurate (PEDE)

**Declaration of Conformity:** Airlink Transformers declare that the product UK-US0250-Iso conforms to current European safety and EMC regulation EN61558-2-6 (Safety Isolating transformer) CE & RoHS compliant. Manufactured to Class A 105degC.

**Declaration by the Exporter:** The exporter of the product covered by this document declares that these products are of EU preferential origin.
